

Exclusive invitation

Dear Sir or Madam,
Dear Friends,

It is a great pleasure and a special honour for me to invite you to the first musical Charity Soirée of the Leon Heart Foundation at my Finca Sa Canova. Experience a magical evening surrounded by the fascinating world of the Balearic fauna – of course, under the influence of the children.

Every year, thousands of children experience the value of nature at Sa Canova, discovering carob trees, old almond and olive tree plantations, medicinal plants and much more. This theme is very personal to me. Together with you, I would like to enjoy an exceptional menu and award-winning wines in this incomparable location with the sounds of atmospheric music.

As a musical highlight, you will be enchanted by soul singer and member of the foundation board **Natalia Klitschko** with an exclusive unplugged concert. Four nationally and internationally known and renowned chefs will be ensuring your culinary well-being:

- **Simon Petutschnig – Restaurant The Kitchen in Palma**
- **Santi Taura – Restaurant Santi Taura in Lloseta**
- **Julio Garmendia – Garmendia Catering**
- **Macarena de Castro – Restaurante El Jardín in Puerto de Alcudia**

Let us do good together. I look forward to meeting you.
Yours, Michael Popp
